12 Plaintiff,

13 v.

**ORDER RE REQUEST TO  
EXTEND DISCOVERY CUTOFF**

14 DISCOVER PROPERTY & CASUALTY  
15 INSURANCE COMPANY,

Defendant.

16 \_\_\_\_\_ /  
17 The parties have requested to move the deadlines for non-expert discovery and expert  
18 disclosures from May 1, 2009 to August 14, 2009. The parties would like to put off additional  
19 discovery until after the Court rules on motions for summary judgment that have not yet been  
20 filed. This Court, however, has an interest in the action proceeding according to the previously  
21 set deadlines and without delay. Because good cause has not been shown, the parties' request is  
22 **DENIED.**

24 **IT IS SO ORDERED.**
